Construction Connect - Building the Future: Smarter, Faster, Connected, powered by Autodesk, a strategic leadership dialogue, is scheduled to be held on 3rd July 2026 (Friday) in New Delhi.

The exclusive CXO session, where experts and industry leaders will explore how Digital Project Delivery (DPD) is empowering real estate developers and general contractors to:

- Reduce project delays and cost overruns with real-time data and automation
- Enhance collaboration between teams through a secure Common Data Environment (CDE)
- Streamline project workflows - from design coordination to construction management
- Leverage AI-driven insights for risk mitigation and operational efficiency

This closed-door forum is designed for high-impact dialogue, peer learning, and real-world insights with no presentations, only meaningful conversations.
