Supply Chain & logistics Conclave 2022 The era of opportunities & innovation

The Indian supply chain & logistic industry is acknowledged as one of India's 'sunrise sectors' with growing SCM infrastructural support and strategies for simplification, digitization, and strengthening the supply chain focusing on sustainable initiatives.

CNBCTV18.com & Team Marksmen Network were proud to host a successful forum, the very first edition of Supply Chain & logistics Conclave that was scheduled on 27 May 2022 at the Le Meridien

Hotel, New Delhi. The platform identified key constraints that the supply chain and logistics industry faced, the strengths that emerged and strategies adopted by the professionals to enhance resilience and improve agility of their supply chains. This edition also focused on providing further impetus on sustainability and carbon consciousness and bringing forward innovations and specialized technological advancements in the domain of supply chain, procurement, demand planning and logistics.

The conclave brought together 180+ supply chain and logistics professionals from pharma, manufacturing, technology, automobile, auto ancillaries, government participation. In conjunction, the event also showcased a high-end business networking concurrence providing supply chain leaders an opportunity to connect and understand best practices that every company adopts to build a resilient supply chain.

All in all, this forum observed an insightful gathering of supply chain heads, logistics heads, procurements heads, consultants, and solution providers under one roof to identify new growth opportunities.

Testimonials

"The event was well organized where a strong focus was put on the current hot topics which SCM professionals are looking out for. The panellists invited were quite skilled and experts in their respective industry domains and shared the right set of examples, which were easy to relate to day to day working of SCM professionals. Overall logistics management and the engagement of all the delegates was well managed."

- **Brish Bhan Vaidya, Head of Strategic Sourcing & Supply Chain, Uber**

"It was really a pleasure to be present as a delegate in Supply Chain Management Conclave. It was a nice opportunity to add in the insights about different challenges in the supply chain management. The informal interaction with delegates and panelists was also fruitful. While congratulating the entire organising team for such a successful event, we thank you for making us part of this conclave."

- **S K Ranka, Head-Procurement, Maharashtra Seamless Limited**

"It was really a great conclave on Supply Chain Management & Logistics. You have covered topics required to be discussed during this time as we are coming out from the pandemic. All the panelists have good knowledge on the shared topics, however some of them are exceptionally well and thorough. Kudos to you and all your team members."

- **Shailendra Gupta, Head – Commercial, Procurement & SCM, Tenon**

"Please accept my congratulations to you and your team for organising a very thoughtful and insightful seminar. You got some of the best speakers and even the moderators were outstanding. I wish you the very best for your future programs. Will be happy to be associated with them."

- **Rajeev Nagpal, Consultant, Department of Pharma - Ministry of Chemicals and Fertilisers**

"Thank you very much for inviting me to attend such a great platform and enrich my knowledge on supply chain management. It was very nice event and I would be thankful to the organizer for their smooth conduct of the entire show and would like to give 10 out of 10 as rating for the overall event including the panel sessions and speakers. I found the agenda 100% successfully delivered as it mentioned in leaflets."

- **Gopal Mishra, Procurement, Pramericalife**
