Bringing Knowledge Communities To Life

Team Marksmen's mission is to help organizations and leaders from across sectors create impactful change that matters.

Our work stems from a holistic understanding of every client's personalized context, unique requirements, sector dynamics, and macroeconomic environment. This allows us to create brand solutions that resonate with audiences, and thereby help advance the practice of management.

We engage with leading thinkers from across industries on the most pressing issues facing organizations, governments, and society, and disseminate these learnings through insight-forward, thought-provoking content pieces. These diverse perspectives are showcased on our daily news and insights website marksmendaily.com, which has been showing remarkable growth since its inception.

Through an array of bespoke industry-centric knowledge platforms - using a variety of formats such as Roundtables, Summits & Conferences, Workshops, and Award Ceremonies - we help senior industry decision makers navigate through issues of critical importance and inform their world-view for better decision-making.

Inspiring conversations, driving change

Marksmen Daily's eclectic, avant-garde mix of business and technology happenings, entrepreneurial initiatives, creative exchanges, lifestyle concepts and leadership insights make it a one-stop destination that offers near peerless food for thought. We touch upon a range of topics that affect the Indian diaspora, such as the country's business heavyweights, happenings across start-ups, automobiles, gadgets and much more.

BLUE DART

Profile:

Blue Dart Express Ltd., South Asia's premier express air and integrated transportation & distribution company, offers secure and reliable delivery of consignments to over 35,000 locations in India. As part of Deutsche Post DHL Group's DHL eCommerce Solutions division, Blue Dart accesses the largest and most comprehensive express and logistics network worldwide, covering over 220 countries and territories, and offers an entire spectrum of distribution services including air express, freight forwarding, supply chain solutions, customs clearance etc.

From 300 shipments on Day 1 to the present day, the company delivers over 30 shipments every second every day. Blue Dart was the first carrier to provide domestic and international on-board courier services with a Hub & Spoke model in India. Pioneering the whole concept of Express Parcel in the country, it went on to be a market leader and now is the Trade Facilitator to the nation. Blue Dart provides exceptional service quality with its fleet of six Boeing 757 freighters and 12,000+ ground vehicles.

Some of the firsts that can be accredited to Blue Dart are individualized products as per customer need, introducing the First Domestic Courier-Express-Parcel Aviation Infrastructure in India, introducing SMS based Mobile

BLUE DART

Tracking System and very recently pioneering the Contact Less Delivery during COVID-19. Blue Dart holds significant market leadership in the express logistics space. It has grown to be a brand that is not only a household name but it is THE preferred Express Logistics provider across businesses, industries, the nation as well as cross-border. Blue Dart is also the only Indian express logistics company to have indigenously developed Cosmat IITM, which includes an advanced state-of-the-art track and trace system for all shipments. Consignments are scanned from pick up to every transit point till delivery, using barcoding and laser scanner technology, transmitting updates automatically to the Oracle database. The organization also leverages the use of technology-enabled mobility solutions for administering specialized pickups of product returns, which also include quality control checks, product image verification and close coordination for timely pickups.

Blue Dart drives its market leadership through its motivated people, dedicated air and ground capacity, cutting-edge technology, a wide range of innovative, vertical-specific products and value-added services to deliver unmatched standards of service quality to its customers.

Blue Dart also launched the Blue Dart Med-Express Consortium, under the 'Medicine from the Sky' project, in collaboration with the Government of Telangana, Ministry of Civil Aviation, Niti Aayog, World Economic Forum and Healthnet Global. The Consortium leverages the use of drone flights to pick up and deliver critical medical and

BLUE DART

pharmaceutical equipment to the remotest areas of the nation.

Blue Dart's market leadership is further validated by its position as the nation's most innovative and awarded express logistics company for exhibiting reliability, superior brand experience and sustainability which include recognition as one of 'India's Best Companies to Work For' by The Great Place to Work® Institute, India, ranked amongst 'Best Multinational Workplaces in Asia' by The Great Place to Work® Institute, Asia, voted a 'Superbrand' and 'Reader's Digest Most Trusted Brand', listed as one of Fortune 500's 'India's Largest Corporations' and Forbes 'India's Super 50 Companies' to name a few. Blue Dart's Diversity & Inclusion initiatives have also led to it being recognized as one of India's 'Best Workplaces for Women' in 2020 and 'Best Organisations for Women' in 2021 by the Economic Times.

'Connecting People, Improving Lives', Blue Dart promotes several corporate responsibility initiatives under its GoPrograms – GoGreen, GoTeach and GoHelp. The company is aligned to the UN's SDGs, following the Group's Sustainability Roadmap that leads to efficient ESG practices.

Allcargo Logistics and Gati-KWE

Allcargo Logistics, with its wholly owned global subsidiary ECU Worldwide and Gati-KWE which is now part of Allcargo Group, is a global logistics conglomerate powering customers' domestic and international business supply chains with seamless logistics in 180 countries, door-to-door deliveries in more than 50 global markets and unmatched domestic reach across more than 19,800 PIN Codes in 735 of India's 739 districts.

Being in the business of facilitating commerce and trade, our expertise and experience of close to three decades, spans NVOCC, FCL, Express Distribution, Air Freight, Container Freight Stations (CFS), Logistics Parks, Contract Logistics and Chemical Warehousing, and E-Commerce Logistics.

Our growth has been a trajectory of organic and inorganic growth milestones including well-timed forays into NVOCC, CFS-ICD, logistics parks, and contract logistics with several Indian and international strategic mergers and acquisitions over the past decade. Notable among these have been the acquisition of Belgium-based ECU-Line, US-based Econocaribe, and other companies in China, Hong Kong, Netherlands, etc. that have helped establish a worldwide footprint. Recently, we have further strengthened our presence in the Nordics through a Joint Venture with Nordicon, the leading ocean freight consolidation service

provider in the Nordic region with near 40% market share in the neutral LCL segment and extensive rail freight capabilities.

Some highlights of our products and services include:

- NVOCC services from the world's LCL consolidation leader
- Safe and timely express distribution across India
- Domestic and international air freight solutions for time-urgent deliveries
- One of India's widest CFS-ICD networks
- Grade-A logistics parks at key industrial and consumption centres
- End-to-end contract logistics services for different sectors like food, chemicals and pharmaceuticals, automotive and spare parts, e-commerce, and others
- Crane rentals with complete attention to safety

With a dynamic IT infrastructure, we are anchored to enable our business digitally, with advanced technologies and tools to take our logistics to newer heights, through automation of processes, for better delivery and customer experience. Through several digital tools like ECU360, our state-of-the-art digital logistics platform, Gati Genie chatbot, digital payment solutions on multiple platforms, an integrated IT network, real-time ERP, and advanced tracking systems for vehicles

and packages, we ensure seamless digital customer experiences.

Our team of logistics experts offers customized solutions with innovation and ingenuity, always geared to delight customers with seamless, end-to-end logistics. Seasoned industry veterans, talented professionals from within and outside the industry, women leaders who bring in diverse perspectives, bright young minds with unmatched potential and team members from a variety of nationalities and cultural backgrounds – all united by a common vision and guided by our mission and values, continue to add to our strengths.

Through our CSR arm, Avashya Foundation, we work to create change and empower communities with inclusive initiatives in six focus areas: Education, Environment, Health, Women Empowerment, Disaster Relief and Sports. We have made a difference to over 300,000 lives till date.

We consider it a responsibility to adhere to internationally accepted Environmental, Social and Corporate Governance (ESG) and Health, Safety, Security and Environment (HSSE) standards while transforming to be future-ready and grow sustainably. We have received ISO 31000 certification for risk management and ISO 27001 for information security.

Our people-centric policies, diversity, and value-driven culture help us create a safe, enabling environment for all stakeholders.
